

Nationwide®
Is on your side

Help participants confidently plan for retirement.

What's your plan for preparing financially for retirement?

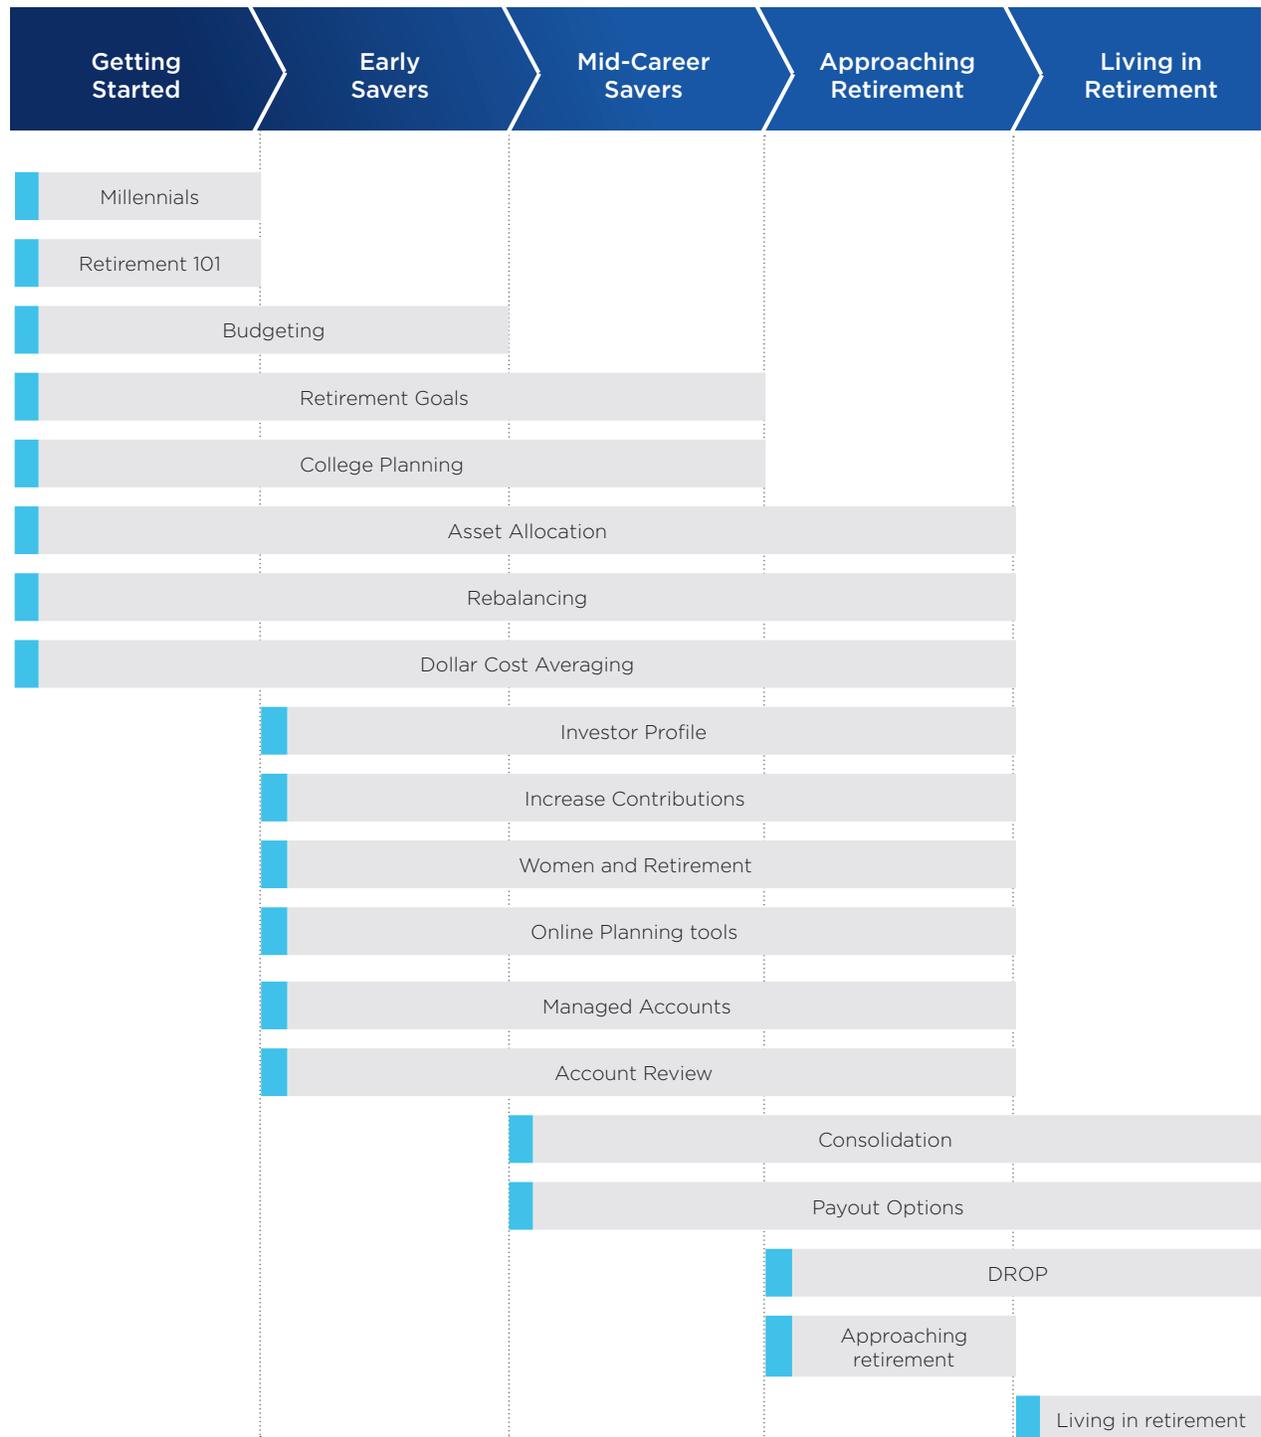

Nationwide has developed a series of topical workshops and MarketingWorks promotional fliers to help your employees understand general principles of identifying goals, retirement planning, and long-term investing. The concepts our Retirement Specialists cover are not intended as advice, but rather as education employees may use to make informed decisions about their participation in your deferred compensation plan. Each workshop may stand alone as a short presentation, or as part of a group of modules designed to cover several topics in a longer presentation.
