## Get Your Name on the List!

---

CCAP lists every associate member of CCAP in its interactive and online directory of companies that do business with counties. This "members only" directory is a great resource for county decision-makers. Every Associate member is listed by company name with contact information, making it easy for County Commissioners to find you and your company.

## Be a Conference Sponsor!

---

CCAP hosts many Conferences and special events each year. Conference sponsors get their company logos or the name of their company before county officials during the Conference. CCAP offers the following sponsorship levels:

- Blue ribbon - \$7,500
- Red ribbon - \$5,000
- White ribbon - \$2,000
- Patron Conference sponsors - \$1,000

Each sponsorship offers a different level of exposure to Conference attendees, with higher levels offering more benefits. Options include a company logo on signs throughout the Conference, company logos in a professionally created conference video before the general sessions and closing sessions, a banner ad on the mobile app, listings on the Conference mobile app, and other special recognition.
