# Vendor Programs

The County Commissioners Association of Pennsylvania (CCAP) is a statewide, nonprofit, nonpartisan association representing the commissioners, chief clerks, administrators, their equivalents in home rule counties, and solicitors of Pennsylvania's 67 counties.

CCAP understands the importance of building relationships between vendors and county government officials. Our goal is to provide opportunities for your firm to get your name and face in front of current and potential clients.

## **What opportunities exist?**

There are many opportunities available to vendors: associate membership, Technology Vendor Partnership, Conference attendance and sponsorship, Leadership program sponsorship, advertising in *Pennsylvania County News* or the Annual Conference Program, and more.

Bundled vendor packages are being offered to give firms the ability to have year-round exposure to county officials while helping to support multiple CCAP events and programs throughout the year including many of those listed above.

## **What is the benefit to your firm?**

All opportunities are offered to help you connect with county elected officials in Pennsylvania. With a vendor package you will be able to keep in touch with CCAP members throughout the year. The program will minimize your costs by offering a comprehensive package rather than charging on a per-item basis. Also, budgeting for your firm will be easier with this one-stop-shop approach.

## **Package versus a la carte?**

The bundled vendor packages will give you a presence with the county officials of Pennsylvania all year; however, a la carte opportunities are available for those companies interested in marketing at a single event.

## **Which annual vendor package level is right for your firm?**

Three levels of vendor packages provide year-round exposure at CCAP events annually. The wide range of vendor packages will fit every budget.

## **Contact**

Please contact Mandi Glantz at (717) 736-4739 or [mglantz@pacounties.org](mailto:mglantz@pacounties.org) to discuss the program and opportunities. Payment plans are available for firms participating in an annual vendor package.
